* When information on local assessments is available, it will be located at same link as the green state/nation listing. If an origin or destination location is not assessed locally (e.g., due to size or an embassy/detachment more than 50 miles away from a DoD installation), apply the “green” DoD state or host nation assessment.

** If a location is reclassified with additional restrictions while an employee is enroute to that location, the gaining commander (w/ G-Series Orders) will review the situation and is authorized to permit continued movement.
